

## **Sudipto Banerjee, Ph.D.**

Global Retirement Strategist

T. Rowe Price

Baltimore, Maryland

---

Sudipto Banerjee is a global retirement strategist. Sudipto leads various retirement research projects that are focused on the behavior of retirement savers. He works with institutional and intermediary clients to advance T. Rowe Price's position as a retirement thought leader. He is a vice president of T. Rowe Price Associates, Inc. Sudipto has been with T. Rowe Price since 2018, beginning in Retirement Plan Services. Prior to this, he was a research associate at the Employee Benefit Research Institute in Washington, D.C. Sudipto earned a B.S. in economics from Presidency College, India; an M.S. in economics from the Indian Statistical Institute; and a Ph.D. in economics from The Ohio State University. Sudipto has published research in peer-reviewed academic journals, such as *The Journal of Human Resources* and *Journal of Economic Behavior and Organization*, and he has authored numerous policy research briefs and white papers. His work has been widely cited in various media publications including *The New York Times*, *The Wall Street Journal*, *The Washington Post*, *Bloomberg Business*, *Barron's*, *MarketWatch*, and *Forbes*. Sudipto has provided expert testimony at the ERISA Advisory Council Hearing on Lifetime Participation in Plans, U.S. Department of Labor, in Washington, D.C. (2014), and on health care costs in retirement at the California State Teachers' Retirement System Board of Trustees meeting in Sacramento, CA (2018). In 2015, Next Avenue named Sudipto one of the "50 Influencers in Aging" for his analysis of the economic aspects of retirement. He is a Series 7 registered representative.
