

**Robert Bowness**

**Director of Pension Operations  
BC Pension Corporation  
Victoria, British Columbia**

Robert Bowness is the director of pension operations at the BC Pension Corporation. He leads teams to provide pension services to over 600,000 members and 1,000 employers across British Columbia. He has over a decade of experience in pension operations, regulatory compliance, business development, data analytics, process design, digitization and automation. Outside of pension administration, Robert enjoys getting lost in the mountains of British Columbia.
