

**Kevin Chriske**  
**Client Portfolio Manager**  
**SEI**  
**Chicago, Illinois**

Mr. Chriske is a client portfolio manager for SEI and is responsible for managing institutional multiemployer client relationships and coordinating SEI services offered through its Fiduciary Management/OCIO Solution. Having worked in the institutional asset management industry for more than 22 years, he has extensive experience in leading clients in strategic decisions through the development of customized asset allocations and in-depth investment strategy education. Mr. Chriske works to address organizational goals and ensures trustees understand portfolio decisions. Prior to joining SEI, he was an institutional client advisor at UBS Global Asset Management in Chicago, Illinois where he was responsible for key client relationships and establishing new business initiatives. Mr. Chriske earned a bachelor's degree in economics from the University of Illinois at Chicago and a masters of business administration degree from Elmhurst College and is a registered representative, maintaining the FINRA Series 7, 66 and 24 Licenses.
