

Danny Dike

**Vice President, Pharma Contracting & Strategy
Express Scripts by Evernorth
Saint Louis, Missouri**

As vice president, pharma contracting & strategy, Danny leads contracting with pharmaceutical manufacturers for rebates and supply chain products, such as SafeGuardRx and EncircleRx. Danny joined Express Scripts in 2008 and has held various finance, analytics and contracting roles spanning the business functions of rebates, generic drug procurement, retail network, home delivery and specialty pharmacy. Danny has three years of international experience leading the Market Insights & Data Analytics team at Walgreens Boots Alliance in Bern, Switzerland. Danny co-founded The LCC Foundation, a nonprofit that supports research and advocacy for patients, such as his son, who suffer from a rare leukodystrophy. Danny earned his bachelor of science degree in management information systems from Southern Illinois University Edwardsville.
