

Joshua Earlls

**Boilermaker Mechanic & Welder Apprentice
Boilermakers Local 128
Burlington, Ontario**

Joshua Earlls started his apprenticeship with the boilermakers in 2022 at age 39. Prior to joining Local 128, he had worked in the various industries from hospitality, insurance and most recently hardscape construction. Joshua spent years searching for a field that he would find both challenging and rewarding. He was introduced to the Boilermakers through a good friend who shared his experience. With the birth of his son, and an important conversation with his wife, he made the decision to take the leap and start his apprenticeship. When he's not working, Joshua leads an active lifestyle playing hockey, traveling, and seeking out new adventures with his wife and two children.
