

Brian J. Harper, EA, MAAA

**Consulting Actuary
Rael & Letson
Seattle, Washington**

Brian is a consulting actuary with over 25 years of experience in consulting to multiemployer and single employer pension plans. During this time, he has consulted with clients in the Northwest and nationally on strategic plan design and risk management issues, targeted education and analysis around emerging regulatory changes, plan mergers, withdrawal liability issues, and funding rehabilitation and improvement plans. Before joining Rael & Letson, Brian was a principal at a large global employee benefits consulting firm in their retirement practice and served on their national multiemployer plan expert committee. Brian graduated from the University of Michigan with a bachelor of science degree in mathematics and actuarial science. He is an Enrolled Actuary and a Member of the American Academy of Actuaries.
