

Allison Oppocher

**Senior Manager, Global Benefits
Sitetracker
San Francisco, California**

Allison is a seasoned benefits professional with over 15 years of experience spanning benefits consulting and in-house benefits administration. She spent five years as a client consultant at Sequoia Benefits, where she designed and implemented comprehensive benefits programs for a diverse range of organizations, from innovative startups to larger established companies. Currently, Allison is the senior global benefits manager at Sitetracker, where she is developing and managing the company's global benefits strategy. Her expertise includes tailoring benefits solutions that align with organizational goals, improving employee satisfaction, and navigating the complexities of a global workforce. With a proven track record of driving impactful benefits initiatives, Allison is passionate about fostering workplace well-being and elevating the employee experience.
