Senior Vice President, Health Practice Leader—East Region  
Segal  
Washington, D.C.

---

Nura Patani is a Senior Vice President and Consulting Actuary at Segal and serves as the East Region Health Practice Leader, where she provides strategic direction and leadership for consultants, actuaries, and analysts supporting complex health plan clients. With nearly 15 years of experience in employee benefits consulting, she advises multi-employer, public sector, and large institutional clients on plan design, funding strategy, vendor procurement, and cost management, including the use of advanced analytics and emerging technologies to support data-driven decision-making and improve the affordability and effectiveness of healthcare programs.

Prior to joining Segal, Nura was a Visiting Assistant Professor in the School of Mathematical and Statistical Sciences at Arizona State University, where she conducted research and taught courses in advanced mathematics.

Nura holds a PhD, MA, and BAE in Mathematics from Arizona State University and is an Associate of the Society of Actuaries and a Member of the American Academy of Actuaries. She has co-authored research published in peer-reviewed journals and is a frequent speaker on healthcare, benefits, and emerging industry trends.
