

Karma Stanley, RPN, LPN

Clinical Nurse Lead, Specialized Health Programs

GreenShield™

Toronto, Ontario

Karma Stanley has worked as a nurse for many years across the continuum of care; providing direct bedside care in Acute Care Hospitals, Emergency Room Care, Community Care and administrative clinical support, she is passionate about patient advocacy, health teaching, and access to care for all individuals. Karma's portfolio includes GreenShield's Hormonal Health, Personalized Nutrition, Chronic Disease Management, and Preventative Health Programs. Karma is a member in good standing with the College of Nurses Ontario (CNO) and the College of Licensed Practical Nurses of Alberta (CLPNA). She collaborates with patients, healthcare providers, and organizations to drive innovation in health.
