

Scott Vold

**Chief Commercial Officer
Renalogic
Chicago, Illinois**

Scott is an experienced entrepreneur and operator of investor-backed health care companies. He joined Renalogic in August 2021 as the company's chief commercial officer, where he is responsible for the company's commercial growth. Scott leads the company's go-to-market, revenue generation and client acquisition functions. Prior to Renalogic, Scott drove an industry-wide effort to redefine the physician referral management process as the founder, CEO, and chairman of Fibroblast, Inc., a venture-funded company he led from concept to successful acquisition by Cerner Corporation (NASDAQ: CERN) in October 2020. He began his career as an attorney representing Fortune 1000 companies and financial services firms in complex commercial litigation. Scott lives in Chicago with his wife and children.
