Fraud Prevention Institute

for Employee Benefit Plans

July 14-15, 2025

Fairmont Chicago, Millennium Park | Chicago, Illinois

Your plan and participant data are gold—to criminals. They will try to penetrate every security effort you implement, and they are getting more and more sophisticated every day. The **Fraud Prevention Institute for Employee Benefit Plans** will equip you with the essential tools you need to combat evolving social engineering tactics to safeguard plan assets. Register today, join us in Chicago in July, and take away the most up-to-date best practices and actionable plans to protect your plan's sensitive data.

Who Should Attend

This program is intended for employee benefit practitioners who are responsible for the protection and preservation of plan data and assets in the United States and Canada. If you are involved in the operations or oversight of a single employer, multiemployer or public sector benefit plan, this conference is for you. You will join a learning network of colleagues that includes:

- Trustees (both labor and management)
- Plan administrators (salaried and third-party)
- Department heads and other staff involved in benefits, finance, information technology or payroll
- Risk managers responsible for benefit plans
- Service providers and plan professionals (accountants, auditors and attorneys) who serve benefit plans.

At This Conference, You Will:

- Gain an understanding of where risks lie in your plan
- Learn who may be potential fraudsters
- Learn steps and tips to immediately prevent fraud in your plan.
